To whom it may concern,

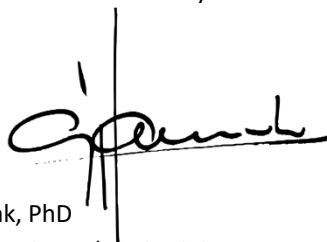

Project title: Prognostic factors for outcomes of idiopathic Sudden onset Sensorineural Hearing Loss: the SeaSHeL national prospective cohort study

This letter is to confirm that I support this application as a collaborator. I have read the protocol prepared for this study and I can confirm that the statistical methods and proposed analysis plans are appropriate for this study.

I will serve as an Academic supervisor for this project and will be responsible for the statistical analyses that will result from the data collected. I will ensure that ICH-GCP guidelines are followed.

Please feel free to contact me if you have any queries.

Thank you,
